

ISRS 2018

International Symposium on Remote Sensing 2018

20
18

9 – 11 May, 2018

Alpensia Convention Center

Pyeongchang, Korea

(<http://www.isrs.or.kr>)

Organized by

The Korean Society of Remote Sensing (KSRS)

The Chinese (Taipei) Society Photogrammetry and Remote Sensing (CSPRS)

The Remote Sensing Society of Japan (RSSJ)

The Environmental Monitoring from Space of East Asia (EMSEA)

The ISRS 2018 in association with 34th Spring Symposium of KSRS is open to all scientists, researchers and students working in the fields of remote sensing, space science and technology, and its related geospatial information technology.

Important Dates

- Deadline for Abstract Submission: **9 February, 2018**
- Deadline for Full Paper Submission: **16 March, 2018**
- Deadline for Pre-Registration: **16 March, 2018**

Abstract Submission

Papers reporting original and unpublished research results on various relevant topics are solicited. Authors will be notified of the receipt of submission via web site. All accepted papers in the track are expected to be presented and will be included in the conference proceedings. Participants to the symposium are kindly invited to submit their abstracts by **9 February, 2018**.

Authors who wish to present in ISRS 2018 are requested to fill out the abstract submission form and submit the form to the [on-line submission system](#). Email submission is NOT allowed.

- How to submit:**
- 1) Sign up or log into the on-line submission system (<http://www.isrs.or.kr>)
 - 2) Click the “submission” button and fill out the abstract submission form
 - 3) Click the “submit” button
 - 4) Acknowledgement of your submission will be sent via e-mail

If you have any difficulty in submitting your abstract, please send an email to the KSRS secretariat (ksrs@ksrs.or.kr).

ISRS 2018

International Symposium on Remote Sensing 2018

20
18

Suggested Topics

1. Sensors and Platforms

- Optical Sensor
- Microwave Sensor
- Satellite Platform
- Airborne Platform
- Unmanned Vehicle
- Others

2. Remote Sensing Applications

- Land
- Ocean
- Atmosphere
- Cryosphere
- Water resources
- Food security
- Climate Change
- Public Health
- Hazard Mitigation
- Landslide
- Earthquake
- Fire
- Volcano
- Tsunami
- Others

3. Method development and Image Processing

- Data Fusion and Data Mining
- Calibration and Registration
- Classification
- Feature Extraction
- DEM/3D modeling
- Change Detection
- Data Compression
- Microwave and Lidar Processing
- Synthetic-aperture radar (SAR) Processing
- Others

4. New Technology

- Artificial Intelligence and Machine Learning
- Big Data from Space
- Internet of Things (IoT)
- Others

5. Geographical Information Sciences (GIS)

- Integration of Remote Sensing and GIS
- Mobile GIS
- Data quality and Spatial Data Standards
- Data Interoperability
- Social Media
- Cloud Computing
- Others

6. Mapping

- Mobile Mapping
- Photogrammetry
- Others

7. Global Navigation Satellite Systems (GNSS)

- GNSS application
- Indoor and Outdoor Navigation
- Location-Based Service
- Others

8. Education

- Capacity Building, Education, and Training
- Outreach
- Others

ISRS 2018

International Symposium on Remote Sensing 2018

20
18

Registration

All participants should register and pay registration fees. Pre-registration at reduced rate is due by 16 March, 2018. Pre-registration is considered complete only if the registration fee is paid. All presenting authors also should pre-register and pay registration fees by 16 March, 2018 in order that their papers be retained in the final program.

Registration fees include admissions to all sessions including opening ceremony, technical/poster sessions, lunch, banquet, young scholar's night, coffee breaks, and a copy of CD proceedings.

Cancellation should be made by 20 April, 2018 for refund. We will refund your registration fee less an administrative fee. Your registration is not refundable after 20 April, 2018. No refunds are given for no-shows.

On-site registration accepts US Dollar (USD) or Korea Won (KRW) cash.

Registration is available at <http://www.isrs.or.kr>.

	Pre-registration (by 16 March, 2018)	Registration (after 16 March, 2018)
Regular	USD 120 (KRW 120,000)	USD 150 (KRW 150,000)
Student	USD 70 (KRW 70,000)	USD 100 (KRW 100,000)
Option	Proceedings in prints: USD 30 (KRW 30,000)	
	Additional CDs: USD 20 (KRW 20,000)	

Student Paper Competition

Best student paper awards will be given to the winners of the student paper competition. The evaluation will be based on the judgment of an evaluation committee. The results will be announced during the closing ceremony on the last day of the symposium (11 May, 2018).

If you want to apply for the student paper competition, please check the 'Yes' button during Abstract Submission. Please note that the first author should be a student so as to be eligible for the competition.

Questions and Comments
